## About

Styleissh.com was curated by NeShanta Davis a fashion therapist based in Atlanta Georgia. After serving 10 years in the United States Air Force NeShanta decided to separate from the military to follow her dreams in the fashion industry. After creating a career in wardrobe styling and opening a vintage boutique, she decided to put her fashion journey on display for the world to see. NeShanta has more than 20 years of thrifting experience which she shares with her readers. Her mission is to empower women to be who they are, wear what they want and live their lives authentically.

After a few years NeShanta let go of fear and decided to transition from fashion blogging to lifestyle blogging. She now shares recipes, home interior, beauty, DIY projects and more. StyleIsShe is a place for transparency, laughs and love.
